## Riesling

Riesling, your favorite wine professional's favorite beverage. Riesling has a range of expressions like Meryl Streep's acting career. It can be dense, honeyed, and intoxicating *while* it can also be lean, tart, and mineral. It picks up a distinct expression wherever it grows. Do yourself a favor and pick a bottle or ask for our Wine Director and he'll help pick one that's right for you.

All artwork was created by Jason Craighead, Raleigh N.C. exclusively for Nanas.

Jason's work is, at its core, an exploration of the vastness of the human condition, both personal and collective. Craighead's dynamic paintings and works on paper embody the artist's recent experiences, ongoing preoccupations, and at times brutally raw emotions.

The artist reveals this to be very deliberate process, which "allows for accident and mishap to become a natural collaborator", and "is, in itself, evidence of process, of action...of me". The overall effect of his often large-scale work envelops the viewer, inciting a visceral emotional reaction and a curious engagement with his always enigmatic narrative.
